# PROGRESS REPORT

- Writing:
  - Considering how Sam's group feedback should be incorporated into the rules
  - revisions to structure of vehicle/ship content and where in the book it is allocated
- Artwork – representation of ship data for narrative-based encounters and miniatures rules

# VEHICLE ENCOUNTER RULES

- Narrative-based encounters now fully integrated into the main system
- Miniatures rules separated into distinct sub-section of book
- Vehicle Record Files updated to incorporate Vehicle Cards as part of layout

# VEHICLE ENCOUNTER RULES

BUT

# VEHICLE ENCOUNTER RULES

- Mrs Selezen's laptop not powerful enough to run more than one app at the same time.

- Word 2013 (get this) – CRASHES THE LAPTOP.
- No, really.
- Lost a day of work due to the word doc being corrupted – and no backup had yet been done. (I usually back up at the end of the night)

# VEHICLE ENCOUNTER RULES

- What to do?

# VEHICLE ENCOUNTER RULES

- What to do?
- Strip down MY OWN Laptop
- Clean the SHIT out of it.

- In the meantime, do the following...

# SHIP STAT CARDS AND GRAPHICS

- Used the Gaming PC to do some graphics work
- Expanded the narrative rules stat card concept to a working prototype
- (not sure about the background or text colours yet)

# WEB SITE CHANGES

- Looking at updating some stuff on the site
- Added PDFs of these update presentations
- Working on a more professional storefront for the eventual day when the book gets sold rather than pre-ordered.
- Trying to add rotating, clickable banners (unsuccessfully)

# FEEDBACK AND QUESTIONS

- Can't watch videos.
- Must read text.
