FEEDBACK AND QUESTIONS

- Bill Irving:
 - Thank you for expanding on my question more than the snarky reply you gave me on Kickstarter. You might say I have been "passive aggressive" about my question (it's a fair comment) but having been stung so many times by KS "promises" in the past, this is already over a year late, and you are different in that unlike some you haven't just disappeared off the face of the Earth with my (and others') money. You appear to be playing the game regularly & there must surely come a time (soon?) when you can say "Version 1.0 is ready", and tweaks and fixes can come in 1.1, 1.2 etc. Anyway, good luck with it - hopefully some day I'll get to play this... with luck it'll be before Frontier turn off the lights. ;)
