PROGRESS

- Colin:
 - STILL waiting for word back from Frontier on license
- Dave:
 - Big ideas about graphics work and some typing the VCS rules up. Managed SOME graphics, then my loving grandkids gave me the black plague. ☹️

COUNTERS, COUNTERS, COUNTERS

- Drawing up the Final Counter Designs
- Drawing up options pending a bit of a review...

FEEDBACK AND QUESTIONS

- FatPob on March 7: If you are able to split the Game into sections such as World, Characters, Combat: Ground, Combat: Space, Equipment, Statistics: Ships, Statistics: NPCs and any other sections you think are really relevant and perhaps give a % so we have an inkling of where we are. I have been following the updates, and it does look like it's close now, just a global overview would be great though.

FEEDBACK AND QUESTIONS

- FatPob on March 14: Any chance of committing to a completion date (or date range) on tonight's update?
